-ac Pertaining to -al Pertaining to -al Pain -ar Pertaining to -ary Pertaining to -centesis Puncture to withdraw fluid -clasia Surgically break -desis To fuse -eal Pertaining to -ectomy Surgical removal -genic Producing -gram Record -graph To record -graphy Process of recording -iatry Medical treatment -ic Pertaining to -itis Inflammation -listesis Slipping -logic Pertaining to the study of -logy Study of -malacia Abnormal softening -metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visual examination -stenosis Narrowing	Suffix	Meaning
-algia Pain -ar Pertaining to -ary Pertaining to -centesis Puncture to withdraw fluid -clasia Surgically break -desis To fuse -eal Pertaining to -ectomy Surgical removal -genic Producing -gram Record -graph To record -graphy Process of recording -iatry Medical treatment -ic Pertaining to -itis Inflammation -listesis Slipping -logic Pertaining to the study of -logy Study of -malacia Abnormal softening -metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visually examining -scopy Process of visual examination		
-algia Pain -ar Pertaining to -ary Pertaining to -centesis Puncture to withdraw fluid -clasia Surgically break -desis To fuse -eal Pertaining to -ectomy Surgical removal -genic Producing -gram Record -graph To record -graphy Process of recording -iatry Medical treatment -ic Pertaining to -itis Inflammation -listesis Slipping -logic Pertaining to the study of -logy Study of -malacia Abnormal softening -metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visually examining -rocess of visually examining -scopy Process of visual examination	-al	Pertaining to
-ary Pertaining to -ary Pertaining to -centesis Puncture to withdraw fluid -clasia Surgically break -desis To fuse -eal Pertaining to -ectomy Surgical removal -genic Producing -gram Record -graph To record -graphy Process of recording -iatry Medical treatment -ic Pertaining to -itis Inflammation -listesis Slipping -logic Pertaining to the study of -logy Study of -malacia Abnormal softening -metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visually examining -scopy Process of visually examining -scopy Process of visual examination	-algia	
-centesis Puncture to withdraw fluid -clasia Surgically break -desis To fuse -eal Pertaining to -ectomy Surgical removal -genic Producing -gram Record -graph To record -graphy Process of recording -iatry Medical treatment -ic Pertaining to -itis Inflammation -listesis Slipping -logic Pertaining to the study of -logy Study of -malacia Abnormal softening -metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visual examination	_	Pertaining to
-clasia Surgically break -desis To fuse -eal Pertaining to -ectomy Surgical removal -genic Producing -gram Record -graph To record -graphy Process of recording -iatry Medical treatment -ic Pertaining to -itis Inflammation -listesis Slipping -logic Pertaining to the study of -logy Study of -malacia Abnormal softening -metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visual examination	-ary	Pertaining to
-desis To fuse -eal Pertaining to -ectomy Surgical removal -genic Producing -gram Record -graph To record -graphy Process of recording -iatry Medical treatment -ic Pertaining to -itis Inflammation -listesis Slipping -logic Pertaining to the study of -malacia Abnormal softening -metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visual examination	-centesis	Puncture to withdraw fluid
-eal Pertaining to -ectomy Surgical removal -genic Producing -gram Record -graph To record -graphy Process of recording -iatry Medical treatment -ic Pertaining to -itis Inflammation -listesis Slipping -logic Pertaining to the study of -logy Study of -malacia Abnormal softening -metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visual examination	-clasia	Surgically break
-ectomy Surgical removal -genic Producing -gram Record -graph To record -graphy Process of recording -iatry Medical treatment -ic Pertaining to -itis Inflammation -listesis Slipping -logic Pertaining to the study of -logy Study of -malacia Abnormal softening -metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visual examination	-desis	To fuse
-genic Producing -gram Record -graph To record -graphy Process of recording -iatry Medical treatment -ic Pertaining to -itis Inflammation -listesis Slipping -logic Pertaining to the study of -logy Study of -malacia Abnormal softening -metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visual examination	-eal	Pertaining to
-gram Record -graph To record -graphy Process of recording -iatry Medical treatment -ic Pertaining to -itis Inflammation -listesis Slipping -logic Pertaining to the study of -logy Study of -malacia Abnormal softening -metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visual examination	-ectomy	Surgical removal
-graph To record -graphy Process of recording -iatry Medical treatment -ic Pertaining to -itis Inflammation -listesis Slipping -logic Pertaining to the study of -logy Study of -malacia Abnormal softening -metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visual examination	-genic	Producing
-graphy Process of recording -iatry Medical treatment -ic Pertaining to -itis Inflammation -listesis Slipping -logic Pertaining to the study of -logy Study of -malacia Abnormal softening -metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visual examination	-gram	Record
-iatry Medical treatment -ic Pertaining to -itis Inflammation -listesis Slipping -logic Pertaining to the study of -logy Study of -malacia Abnormal softening -metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visual examination	-graph	To record
-ic Pertaining to -itis Inflammation -listesis Slipping -logic Pertaining to the study of -logy Study of -malacia Abnormal softening -metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visual examination	-graphy	Process of recording
-itis Inflammation -listesis Slipping -logic Pertaining to the study of -logy Study of -malacia Abnormal softening -metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visual examination	-iatry	Medical treatment
-listesis Slipping -logic Pertaining to the study of -logy Study of -malacia Abnormal softening -metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visual examination	-ic	Pertaining to
-logic Pertaining to the study of -logy Study of -malacia Abnormal softening -metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visual examination	-itis	Inflammation
-logy Study of -malacia Abnormal softening -metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visual examination	-listesis	Slipping
-malacia Abnormal softening -metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopic Pertaining to visually examining -scopy Process of visual examination	-logic	Pertaining to the study of
-metry Process of measuring -oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visual examination	-logy	Study of
-oma Tumor -ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopy Process of visual examination	-malacia	Abnormal softening
-ory Pertaining to -osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopic Pertaining to visually examining -scopy Process of visual examination	-metry	Process of measuring
-osis Abnormal condition -otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopic Pertaining to visually examining -scopy Process of visual examination	-oma	Tumor
-otomy Cutting into -ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopic Pertaining to visually examining -scopy Process of visual examination	-ory	Pertaining to
-ous Pertaining to -pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopic Pertaining to visually examining -scopy Process of visual examination	-osis	Abnormal condition
-pathy Disease -plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopic Pertaining to visually examining -scopy Process of visual examination	-otomy	Cutting into
-plasty Surgical repair -porosis Porous -scope Instrument for viewing -scopic Pertaining to visually examining -scopy Process of visual examination	-ous	Pertaining to
-porosis Porous -scope Instrument for viewing -scopic Pertaining to visually examining -scopy Process of visual examination	-pathy	Disease
-scope Instrument for viewing -scopic Pertaining to visually examining -scopy Process of visual examination	-plasty	Surgical repair
-scopic Pertaining to visually examining -scopy Process of visual examination	-porosis	Porous
-scopy Process of visual examination	-scope	Instrument for viewing
1 5	-scopic	Pertaining to visually examining
-stenosis Narrowing	-scopy	Process of visual examination
	-stenosis	Narrowing
-tic Pertaining to	-tic	Pertaining to
-tome Instrument to cut	-tome	Instrument to cut
