VLA Basic Biology: Unit 19 Worksheet

A. DNA FINGERPRINTING: Select the individual that best matches sample #1.

B. DNA FINGERPRINTING: Fill in the individual's band pattern to match the sample #2.

C. DNA SEQUENCING: State the DNA sequence of Sample #1.

D. DNA SEQUENCING: Fill the DNA band pattern of DNA Sequence #2.

Sample #1 DNA Sequence:

A C T G

DNA Sequence #2:

TACGATCGA
