

# Regions of the US

## Activity Instructions

Pick one of the five geographic regions of the US (Northeast, Southeast, Southwest, Midwest or West) and create a travel brochure for that region. Use the lyrics and infoboxes from the song plus your own outside research to fill in the template provided. Color your region on the US map and draw or find pictures where needed.

### The brochure has 6 panels:

1. Front: Region Name, Map, Three Fun Facts
2. Back Panel: History, Climate and Weather
3. Inside Flap: Picture, Places of Interest
4. Interior Left: Food, Plant and Animal Life
5. Interior Middle: Picture, Landforms and Bodies of Water
6. Interior Right: Natural Resources, Industry and Manufactured Products
