

Name _____

Date _____

Order of Operations

Fill in the missing numbers.

1. $\square + \square \times \square = 182$ Use the numbers: 35, 5, and 7
2. $\square + \square \div \square = 24$ Use the numbers: 6, 90, and 5
3. $\square \times \square + \square \times \square = 242$ Use the numbers: 17, 8, 53, and 2
4. $\square + \square - \square = 83$ Use the numbers: 38, 29, and 74
5. $\square \div \square \times \square = 8$ Use the numbers: 40, 5, and 1
6. $\square \div \square + \square = 9$ Use the numbers: 42, 6, and 2
7. $\square \div \square - \square = 9$ Use the numbers: 8, 1, and 80
8. $\square \times \square \times \square = 12,104$ Use the numbers: 4, 34, and 89
9. $\square \div \square + \square - \square = 39$ Use the numbers: 9, 32, 90, and 3
10. $\square + \square \times \square = 1,023$ Use the numbers: 9, 39, and 26
11. $\square \times \square - \square = 76$ Use the numbers: 1, 4, and 80
12. $\square \times \square \div \square = 40$ Use the numbers: 8, 30, and 6
13. $\square + \square - \square = 9$ Use the numbers: 21, 8, and 22
