Name _____

Date _____

Percents

Fill in the missing value. Assume simple interest.

Enter answers in text boxes.

1.	principal	\$17,326	2.	principal	
	interest rate	8%		interest rate	9%
	time			time	1 year
	simple interest	\$5,544.32		simple interest	\$2,980.26
3.	principal	\$333,365	4.	principal	\$28,994
	interest rate			interest rate	5%
	time	5 years		time	2 years
	simple interest	\$100,009.50		simple interest	
	1			1	
5.	principal	\$9,528	6.	principal	\$683,532
	interest rate	1%		interest rate	11%
	time			time	
	simple interest	\$285.84		simple interest	\$75,188.52
	-			-	
7.	principal	\$414,277	8.	principal	
	interest rate			interest rate	10%
	time	2 years		time	4 years
	simple interest	\$16,571.08		simple interest	\$33,000.80
9.	principal	\$8,441	10.	principal	\$883,502
	interest rate	4%		interest rate	12%
	time			time	3 years
	simple interest	\$1,688.20		simple interest	
11.	principal	\$71,930	12.	principal	\$10,828
	interest rate	3%		interest rate	13%
	time			time	4 years
	simple interest	\$6,473.70		simple interest
