

## Interest – Check Sheet

Visit <http://www.calculator.net/credit-card-calculator.html>. Using the Credit Card Repayment Calculator, figure how long it will take to pay back each loan and what the total interest charges would be. Record your answers below.

Loan Balance	APR	Minimum Payment	Length of Time	Total Interest
\$800	17.98%	20		
\$1,000	17.98%	20		
\$2,000	17.98%	35		
\$5,000	17.98%	100
