

What You Need:

- 12 bean seeds
- 2 paper towels
- 2 rubber bands
- water

**What You Do:**

1. Wet the paper towels with some water.
2. Put 6 seeds on each towel.
3. Fold the seeds in the towel. Tie it with a rubber band.
4. Put one towel in the freezer. Put the other one in a warm place.
5. Unwrap the rolls each day. Observe what happens. Do this for 5 days.
