

Section 2: Digital Citizenship

Part I Review

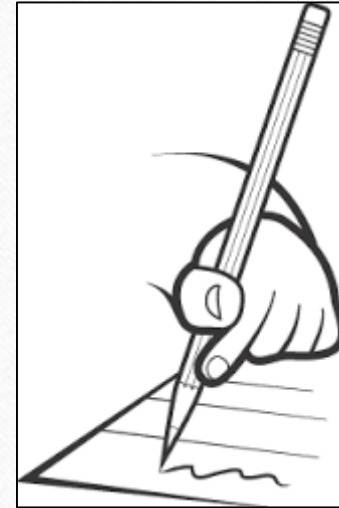

As a digital citizen, you go on the Internet to play games, get information, or communicate with others. There are various aspects to be a good digital citizen. See if you can remember the meaning of the different areas that make up good digital citizenship.

Words to Know	
1	Digital Literacy
2	Digital Rights and Responsibilities
3	Digital Safety
4	Digital Etiquette
5	Digital Communication
6	Digital Law
7	Digital Access
8	Digital Commerce
9	Digital Health and Wellness

How good did you do on those words?
If you need to review the definitions, go
back to Unit 1 and listen to the definitions.

Activity

As a review of Digital Citizenship Units 1-9, click on the image and print the “*What makes a Good Digital Citizen?*” word search. Complete the word search. Show the word search to your parents and return the completed word search to your teacher. Talk to your parents and teacher about good digital citizenship

**This concludes Section 2:
Digital Citizenship – Part I.**

**When you are ready, continue with
Digital Citizenship – Part II.**
