Interpreting Pictographs

A pro basketball team tracked its slam dunks made over seven months. Answer the questions based on the pictograph below.

- 1) How many slam dunks did the team get during September? _____
- 2) Were more slam dunks made in the month of July or in August? _____
- 3) How many slam dunks were recorded in the month of November? _____
- 4) During which month did this team have the fewest number of slam dunks? _____
- 5) If in any one month the team scores at least 60 slam dunks, they give out a signed basketball. Which months did the team give away a free basketball? If that never occurred, write 'None'. _____
- 6) In total, how many slam dunks did this team score in the tracked months? _____
- 7) During which month did this team have the greatest number of slam dunks? _____
